[Verse]
```
C         G7                      C
I keep a close watch on this heart of mine

          G7                 C
I keep my eyes wide open all the time

            F                    C
I keep the ends out for the tie that binds

             G7            C
Because you're mine I walk the line
```

[Verse]
```
          G7                C
I find it very very easy to be true

      G7                         C
I find myself alone when each day is through

        F                 C
Yes I'll admit I'm a fool for you

              G7             C
Because you're mine I walk the line
```

[Verse]
```
            G7                   C
As sure as night is dark and day is light
```

```
          G7                            C
I keep you on my mind both day and night

          F                            C
And happiness I've known proves that it's right

                G7              C
Because you're mine I walk the line

[Verse]
                G7                 C
You've got a way to keep me on your side

          G7                         C
You give me cause for love that I can't hide

          F                         C
For you I know I'd even try to turn the tide

                G7              C
Because you're mine I walk the line
```
